

Upcoming
Audio
Conferences

What is an audio conference?

A 90-minute
education program
delivered over the
telephone, like a
teleconference.

Join the audio-conference
by dialing a toll-free
number and entering your
access code.

No computer hookup
is necessary.

An interactive Q&A
session follows.

Alberta Labour Arbitration Update

Important new arbitration awards in Alberta and their impact on the unionized workplace

with John Carpenter, *Chivers Carpenter Lawyers*
Joyce Mitchell, *McLennan Ross*

Learn about these important new arbitration cases and their impact on union and employer representatives in Alberta:

1. Employer's medical-leave policy contradicts the collective agreement
2. Employer's "medical management" policy oversteps privacy bounds
3. Discipline voided for lack of union representation
4. Benefit plan excludes employees on extended disability benefits
5. Employer denies union leave for scheduling reasons
6. Employer refuses to let employees wear union pins
7. Grievor asks arbitrator to void his resignation
8. Transit drivers suspended for letting their licences lapse
9. Moving employees between shifts changes "normal hours of work"
10. Harasser terminated for disclosing details of the complaint
11. Termination for culminating incident based on unrelated misconduct
12. And more!

April 11, 2008
