The Fundamentals of Progressive Discipline

Key concepts and underlying principles governing progressive discipline in the unionized workplace:

- Questions to ask before any discipline is imposed
- The key stages of progressive discipline
- Just cause, mitigating factors and culminating incidents
- Effective and ineffective warnings
- When discipline should never be used

Discipline and Human Rights

Accommodation and other human rights protections to consider before discipline is imposed:

- When to discipline, when to accommodate
- Enforceability of automatic-termination clauses
- Enforceability of zero-tolerance policies
- Enforceability of last-chance agreements

Drugs, Alcohol and Discipline

Guidelines for handling cases of misconduct involving drugs or alcohol:

- Distinguishing between substance abuse and dependency
- Handling impairment at work
- Dealing with the employee in denial
- Practical considerations for accommodating substance-dependent employees

Poor Performance and Bad Attitude

What are appropriate standards of employee performance and how should they be measured?

- Appropriate and inappropriate responses to poor performance
- Defining the standards and communicating them to employees
- Performance standards for probationary employees
- Can an employee be disciplined for bad attitude alone?

Dealing with Excessive Absenteeism

What are some legitimate employer responses to excessive innocent absenteeism?

- When is absenteeism considered innocent vs. disciplinary?
- How much absenteeism is considered excessive?
- When does termination become an option?
- When can absenteeism policies be challenged on human rights grounds?

Dealing with Pattern Absences

What options are available to employers when dealing with suspicious absences?

- When do employers have just cause to intervene?
- Appropriate employer responses
- When substance abuse is suspected as the root cause
- Surveillance and other options available to verify suspicious absences

Enforcement of Employer Rules

When are employer rules valid and enforceable, and when are they subject to union challenge?

- The legal requirements for valid employer rules
- The impact of an unreasonable rule
- How should rules be communicated to employees?
- Enforcing rules that have been unevenly enforced
